February 25th Putting Event at Desert Highlands

It was another day in Paradise and the perfect way to spend it. On February 25th, I hosted a great group of (24) both golfers and PWP's—those rare Arizonians—"People Without Putters."

The 18-hole putting course was challenging, to say the least, but three of us (note I said "us") managed a hole-in-one. First prize in this event was presented to a guest of member Janet Bale, who, by the way has a Mercedes, so maybe we will gain a new member. The second place low-scorer was Don Burton. Congratulations to all who

participated and thanks so much for your enthusiasm. We shared great conversation after the event at a beautifully prepared luncheon.

There were lots of "let's do it again next year" comments. It was definitely an event worth repeating.

And, of course, our special thanks and gratitude to **John Olive**, the member of Desert Highlands and Desert Stars who made this event possible. We missed you, John, but want you to know we really appreciated the opportunity to enjoy some healthy competition.
